

T.LOVE- 2016 - RIDER

CREW BOSS / TECH : Budzik / bud@space.pl/ +48 602 326 186
FOH / MONITOR : Damian Kubacki / damiano1111@o2.pl / +48 696 541 215
LIGHT : Robert Janiak / robert@stagevision.pl/ +48 694 211 797

SOUND & LIGHT SYSTEMS HAS TO BE SET UP AND OPERATIONAL ON ARTIST ARRIVAL!!!

FOH :

IF THERE IS A POSSIBILITY TO FLY THE SYSTEM IT HAS TO BE FLOWN !!!

First class , line array or stereo 4-way speaker system capable of a clean, full range response from 20 Hz to 20 kHz and with sufficient power to maintain a level of 120 dB at mixing position without distortion. Only acceptable brands are: V - DOSC, CLAIR BROS, ADAMSON Y-18, MEYER SOUND, EAW, ELECTROVOICE, NEXO, TURBOSOUND

FOH MIXING DESK / MONITOR MIXING DESK

Because one person supports both places, so the only acceptable brands are:

AVID / MIDAS PRO II C !!!

MONITOR SYSTEM PERIPHERALS :

- 4 x In Ear System : Shure PSM 1000 / Sennheiser G 3
- Two (2) X Wedge (2-Way Active) : Nexo Ps15 , Christian Heil, Martin Audio, Clair Bros, Meyer Sound, Turbosound
- Two (2) X Sidefill With Sub, Left And Right Side

Please note : Wedges & Sidefills have to be the same brand and type !!!

PERSONNEL : □

Promoteur provides at sole expense at least two (2) stage hands and two (2) experienced technicians familiar with the sound system from load-in time, till load-out has finished .
